ELECTION REQUIREMENT

This paper is in response to an election requirement dated March 24, 2004.
Applicants elect the claims based on Figs. 1-4 and the disclosure specifically discussing these figures. The elected claims include claims 1-24, which are elected without traverse.

Applicants note that claims 25-54 which are not elected are all dependent on claim 1 which is generic. Thus, if claim 1 is found to be patentable, all of the claims should be allowed.

An examination on the merits is respectfully awaited.

Respectfully submitted,
Ilan GREENBERG et al.
